

## **Simon Ellis - Monkey Puzzle**

*Super glue*

*Back hook- Gamakatsu L11-3h size 4*

*Front hook- Gamakatsu jig 90 hook (round bend) #1/0 or Ahrex fw550 #2 (these are a lot shorter in the shank though)*

*4.6 mm slotted tungsten bead (any colour- I prefer black/ nickle)*

*4mm rabbit zonker*

*Small amount of EP fibre or similar (or marabou/ arctic fox/ finn racoon) I use an orange colour.*

*Straggle or similar cactus type chenille*

*20lb mono (about 20cm)*

*3x 3mm craft beads (any colour but I like black and red)*

*Marabou*

*4 or 5 mm 3d eyes*

*U V resin (I use a clear flex and a hot orange for the head)*

*Thread – 8/0 Veevus or 6/0 Uni (colour is not important)*
